Social & Cocktail Weddings

Social and Cocktail can add that unique touch to your Scottish wedding day with a range of bar solutions, from light bars and vintage style-bartenders to table service and cocktail receptions. We love to create bespoke drink lists and customised cocktails, all served in style by our team of award-winning bartenders.

The Wedding Cocktail Hour

(Drinks Reception)

As an alternative to the standard sparkling drinks reception, keep your guests entertained during the photoshoot and before dinner with a Wedding Cocktail Bar.

Our creative approach to drinks can add a twist to the usual welcome drinks, from classic and signature cocktails to vintage themed and gastronomy - inspired contemporary twists. The following quotes are based on 2 cocktails per guest. Non-alcoholic mocktails are also provided as standard. Our mixologists can also create bespoke "Mr & Mrs" Signature Cocktails to be served to your wedding guests.

Up to 100 Guests: £10 per head
101 -200 Guests: £8.50 per head
200 + Guests: £7.50 per head

Pop-Up Cocktail Bar

(for Hotels and Licensed Venues)

In licensed venues with existing bar facilities, but without the option of cocktails, Social and Cocktail provide a highly stylised cocktail bar to go alongside the main bar and serve delicious cocktails to your guests. We realise venues may not wish to share their bar revenue, so we compensate the venue by paying a commission per drink sold.

There is a set-up fee of £400, this is inclusive of bar hire, bartenders, all ingredients and glassware. Travel may incur a small surcharge. Cocktails are priced relative to the venues pricing structure (generally £6 -£7). We would be delighted to liaise with your wedding coordinator or hotel management to explain the benefits of our concession bar.

Full Bar Set-up

(Marquee, Outdoor & Unlicensed Venues)

If you are planning your wedding in an unlicensed venue, marquee or outdoor space, Social and Cocktail takes a holistic approach, directly overseeing every crucial stage, from local authority license applications (for cash bars) and drinks lists to stock and staffing levels. We use real glassware and also have 12ft of customised light bars plus mobile cocktail pop-up bars, allowing for a multi-bar approach to the set-up. Please see drinks list:
